Dear Mr. Williams,

I write this letter of support for Damascus House Community Development Corporation RISTORe Program (DHCDC) with great gratitude for the work they are doing in the community. DHCDC is providing supportive housing for citizens who are returning to Prince George's County after incarceration; a population that oftentimes become homeless after being released.

The services in which they are providing are centered not only on the individual's sober living, mental health, workforce development and financial stability, but just as much emphasis is placed on public safety and family reunification. I am excited to watch DHCDC continue to grow as they serve a greater portion of this population.

I support and recommend any resources you have available to aid and assist DHCDC in their efforts to reduce recidivism in Prince George's County.

Sincerely,

Delegate Erek L. Barron,
